These books are powerful, cost-effective tools that can reduce your waste arisings, improve customer relations and improve your recycling rates.

Arbed, Ailddefnyddio, Ailgylchu Reduce, Reuse, Recycle

An Easy Household Guide by Nicky Scott

This easy-to-use guide includes an A-Z listing of everyday household items and is packed with suggestions for cutting consumption, reducing rubbish and recycling.

"We have found the **Reduce, Reuse, Recycle** book an invaluable resource. . . user-friendly and packed full of relevant information."—Vicky Portman, Street Pride, Walsall Metropolitan Borough Council

Bilingual editions are printed back-to-back, to order. We can print your logo and message on the cover (in full colour) and on pages 1 & 2 of the book (in black-and-white) at no extra charge. Delivery approx 3 weeks from finalisation of details. Please phone for a quote for other quantities.

Compostio i Bawb / Composting for All

by Nicky Scott, Chairman of the Community Composting Network

All the householder needs for successful home composting.

"**Composting for All** is a comprehensive but compact booklet which we have found extremely useful in Devon. It's ideal for giving out at Roadshows, via our website or to accompany a new compost bin."—Liz Poulter, Senior Waste Management Officer, Devon County Council

Bilingual editions are printed back-to-back, to order. We can print your logo and message on the cover (in full colour).
