

The Garden Awakening

Designs to nurture our land and ourselves

By Mary Reynolds

Keynote

Chelsea Gold Award winning garden designer and inspiration for the film *Dare to be Wild* Mary Reynolds shows you how to design a garden that works in harmony with the land.

Description

Learn how to design and nurture a beautiful space. Bring the energy of wild places into your garden while incorporating sustainable living and growing your own food.

Audience

This book is perfect for people who are interested in garden design, permaculture and forest gardening, and students of landscape and garden design. People who love the film *Dare to be Wild* will also love this book.
